Its lifetime can be up to 5years.  
The other extra function such as PWM/0-10V/DALI Dimmable also can be available.

## Application

## Specification

|                     |   |
|---------------------|---|
| Order Model         | GR-LS6633-36W                                     |
| Dimension(mm)       | L1065*W33*H66mm                                   |
| Power               | 36W±5% (20W Grid spotlight+16W profile light)     |
| Input voltage       | 100-240VAC / 220-240VAC 50/60Hz                   |
| LED Chips brand     | Philips/Epistar /Bridgelux SMD chips              |
| Lumens              | 3400-3700lm                                       |
| Color temperature   | 3000K/4000K-4500K/6000K-6500K                     |
| Driver              | Included  |
| THD                 | <20%  |
| Power factor        | >0.9  |
| CRI                 | >90   |
| SDCM                | <5 ( <3 available)                                |
| Working life        | >50000Hrs   |
| Efficiency          | >89%  |
| Materials           | Die-cast aluminum,White/Black finished            |
| Beam angle          | 24°+120°  |
| IP Grade            | IP22 indoor use only                              |
| Hanging wire        | Included 1meter-1.2meter long                     |
| Dimmable            | No. but it is ok to do Triac/0-10V/DALI if needed |
| Working temperature | -30°C~+60°C                                       |
| Storage temperature | -35°C~+65°C                                       |
| Standard            | CE LVD EMC RoHs                                   |
| Warranty            | 2/3/5Years  |
