Four wires three phase adapter mounting instructions

3. Warning

- 1). The Lamp is only for Indoor and Dry application, keep away from Heat, Steam, Wet, Oil, Corrosion etc, which may affect its permanence and shorten the lifespan.
- 2). Please strictly follow the instructions while installation to avoid any Hazard or damages.
- 3). Any installation, or maintenance should be done by professional, do not DIY if without enough knowledge.
- 4). Please double check before turn on if wiring is 100% OK, make sure Voltage for lamp is right and no Short-Circ.
- 5). Please do not block any objects on the lamp, which will definitely affect heat emission while lamp's working.
