

LED FLOODLIGHT

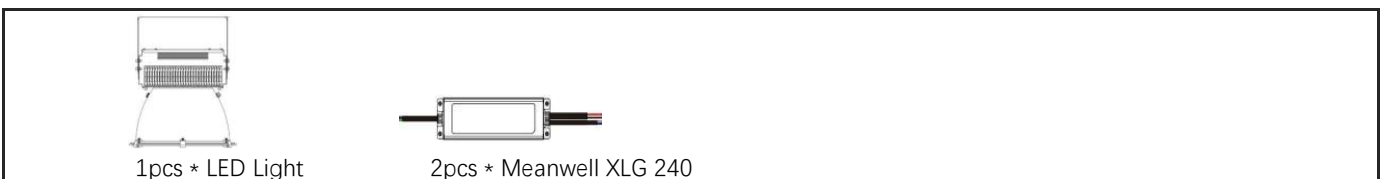

Instruction Manual

1. Parameter

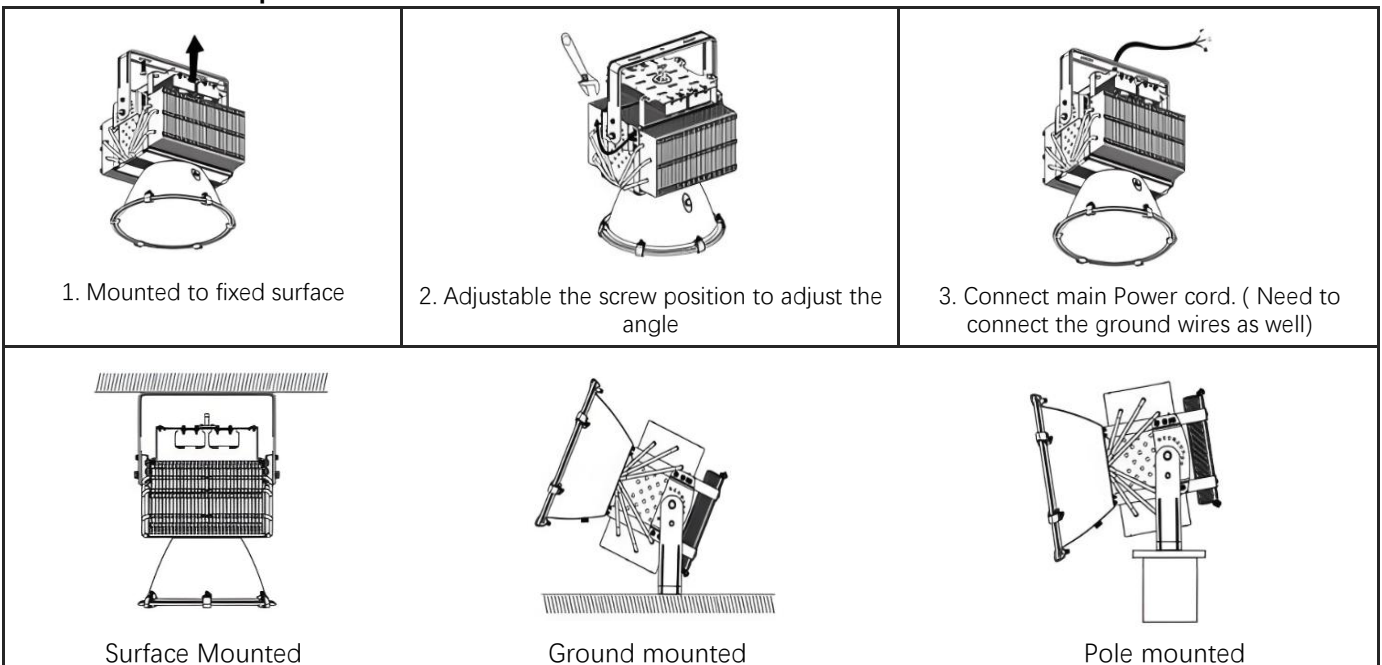

- Model: GR-FL-500WG
- Power: 500W \pm 5%
- Input voltage: 100-277VAC 50/60Hz
- Power factor: >0.95
- IP rating : IP65
- CRI:80
- Color temperature:5700K
- Lumens: 60000lm
- LED driver: Meanwell XLG 240W * 2pcs
- Output cable: 7meter long
- Beam angle: 60°
- NW: 8KG/PCS

2. What is in inner box package

3. Installation Step

4. Warning

- * Keep power off before installation for the human safety
